¿Cómo se hace?

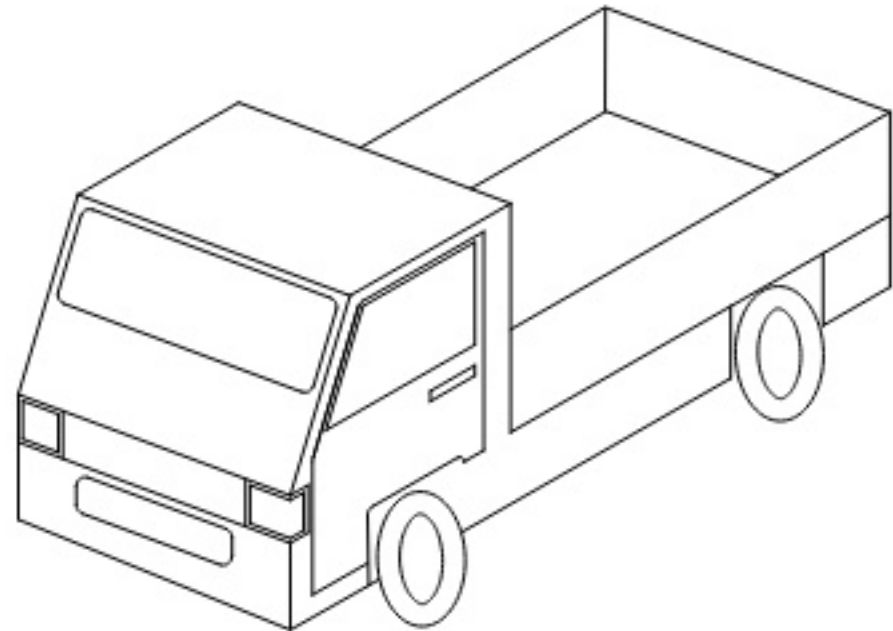

Paso a paso

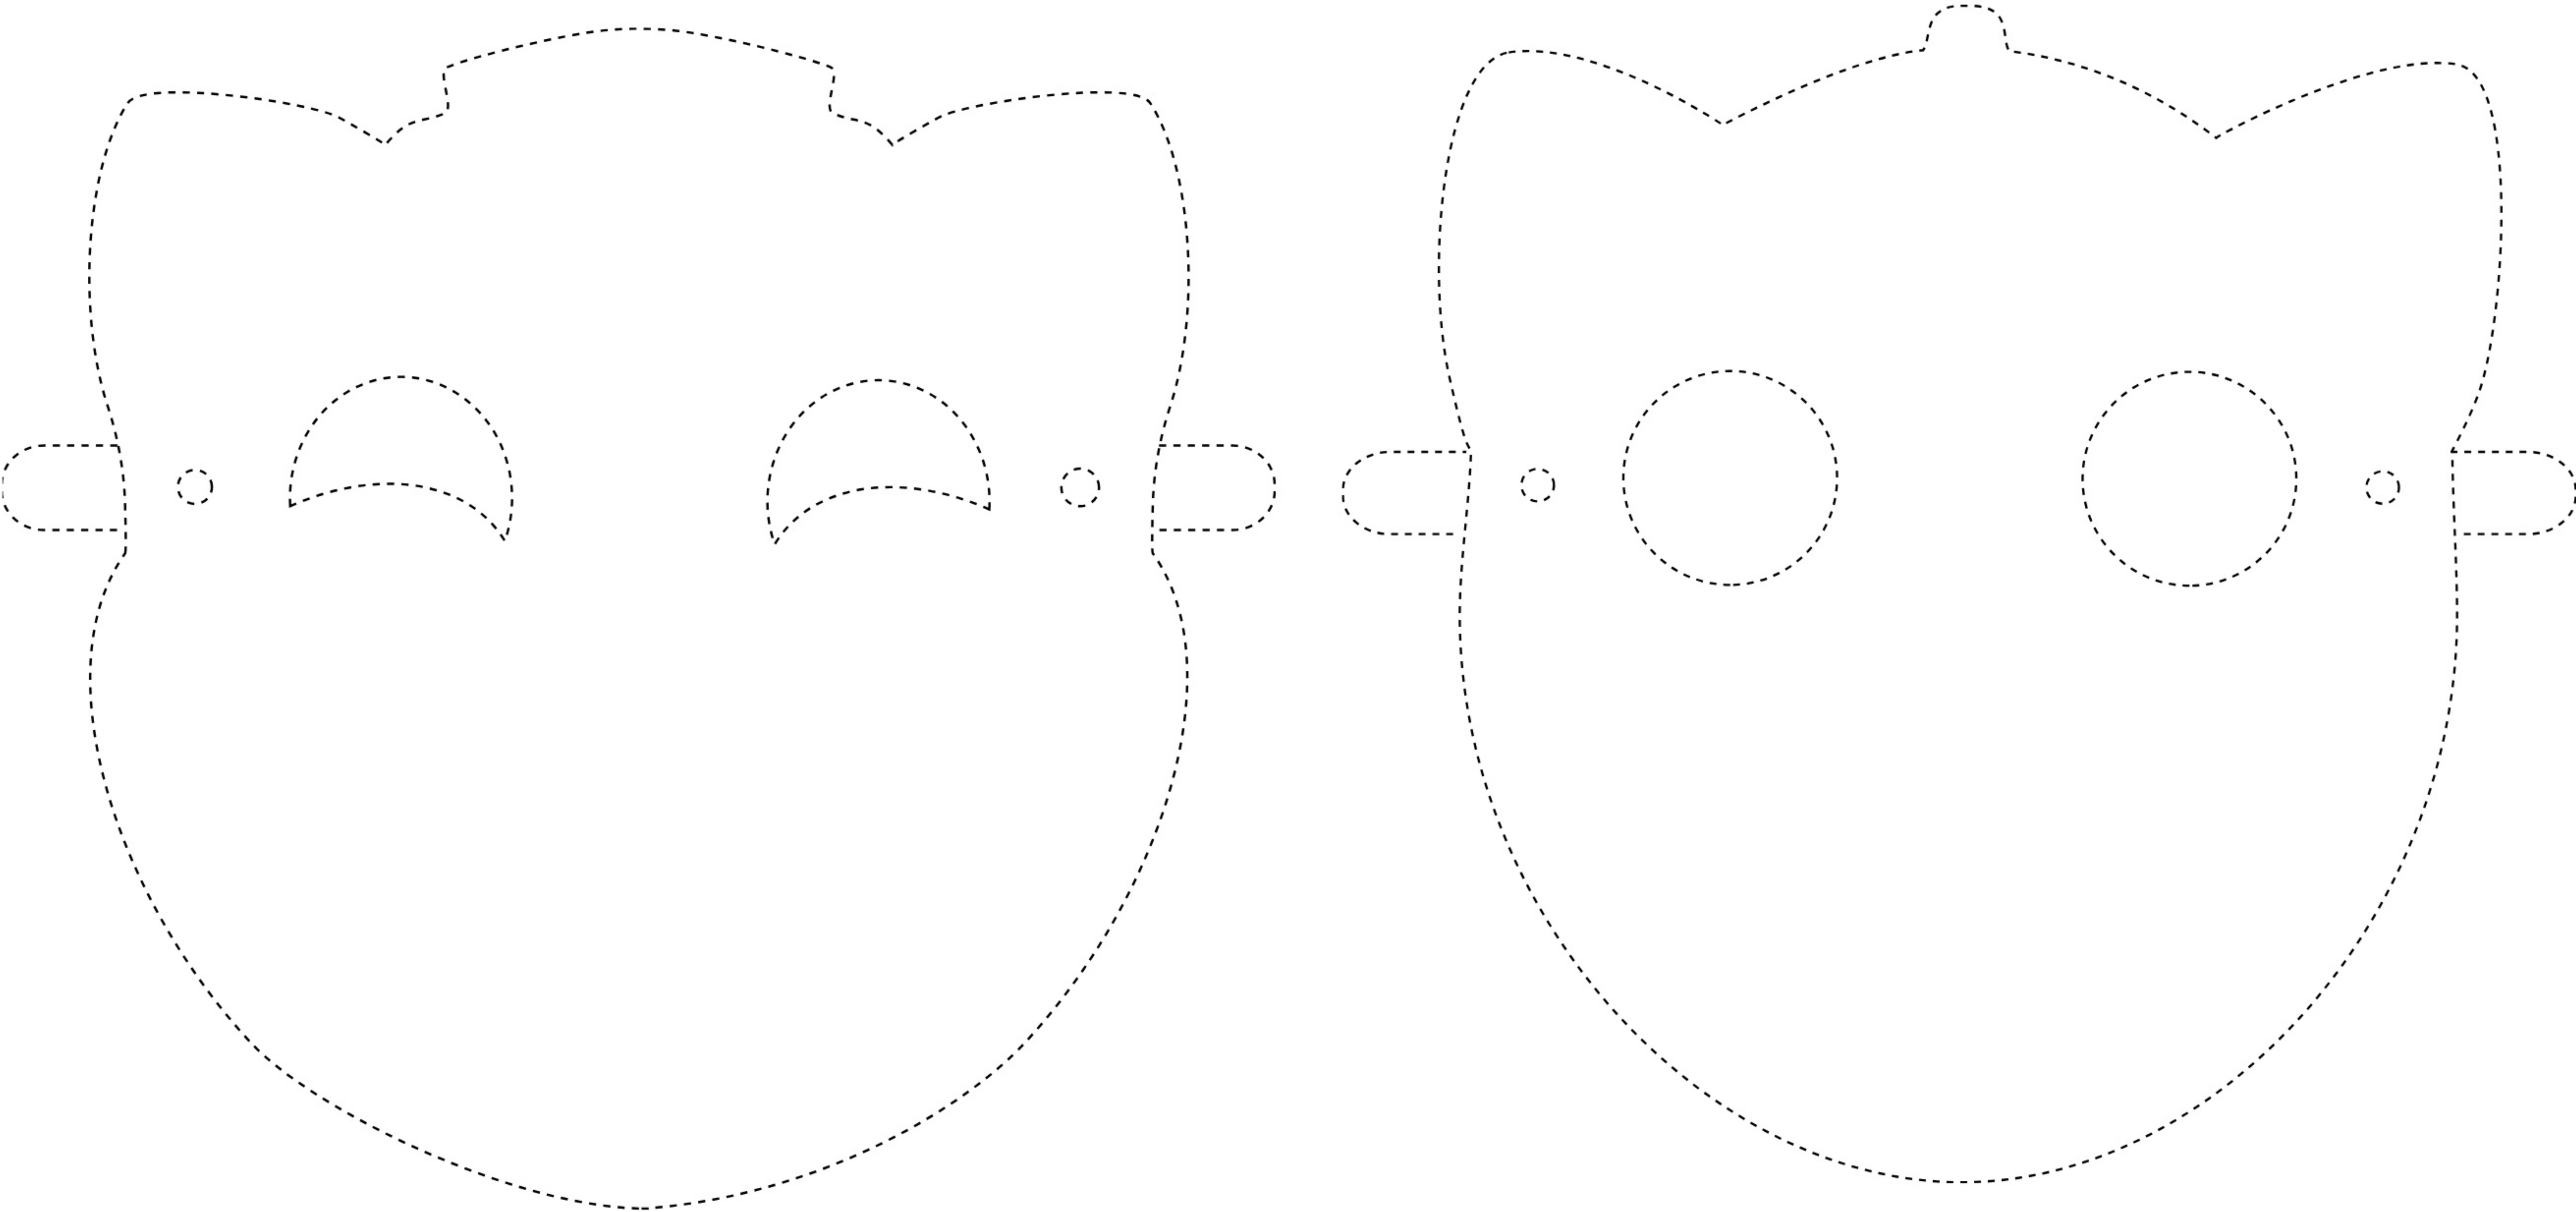

1. Con sus lápices de colores, iluminen el camión antes de recortarlo.

2. Recorten el camión por la línea negra punteada.
3. Armen primero la cabina, peguen las pestañas de las puertas y de los lados.
4. Armen la caja, peguen las pestañas en ambos lados del camión.
5. Peguen las llantas en la parte de abajo de la cabina y la caja.
6. Peguen la defensa en la parte trasera.
